

11) Two foster daughters, age 6 and 9, share a room. The 6 year-old tells you that the other child has touched her "private parts." What would you do? Suppose the 6 year-old says that it was you own daughter who touched her. How would your answer be different?

12) Your foster child's natural parent's do not want the child to have any information about God, or and exposure to religion. How would you handle this issue?

13) If you walked into the bathroom, and found your 8-year old-foster son masturbating, what might you do?

14) Your foster child always seems angry and defiant after having had the visit with the natural parents. How would you respond?

15) Your 7 year-old foster child refuses to take a bath. This happens repeatedly. What might you do?

16) Your foster child often swears at you. How might you respond?
